**Bowlerama Centres** are ideally suited to host your next group or corporate function. We offer great locations for team building, competition and mixing. Bowling offers something lacking in most other party venues; there are no wallflowers allowed at **Bowlerama**, as bowling serves as **the perfect mixer**, encouraging perfect strangers to mix, mingle and get to know each other.

Our staff, displaying one of our **fabulous dinner buffets**, have organized and hosted more group bowling functions than anybody in Canada. We look forward to providing you with our years of experience in executing successful group functions for all sizes and budgets.

# CLUB LIKE Atmosphere!

Food & drink contribute to your enjoyment while at the bowling centre, so we make sure we use only the highest quality products, at prices that offer value for the customer. **Our experienced food & beverage department can cater ANY function**, with any menu for groups of 30 or more. Whether it's sushi, hot and cold hors d'oeuvres, a Mexican or Italian buffet...you name it and we can serve it up!

All of our **Bowlerama** centre managers have a special catering menu in addition to the regular snack bar fare. We deal with party planners as well, to assist you in making your event a great social success. Whether it's balloons, DJs, comedians or magicians, we can book them for you or put you in touch with event planning companies who we have worked with in the past. **CONTACT US ABOUT YOUR NEXT FUNCTION.**

All of our centres feature **Cosmic Bowling**, which adds to the fun of any event. With music and lights, we turn your bowling outing into a night at the club. Combined with arcade games, our centres offer a wide variety of activities for YOUR staff or group members to take part in.

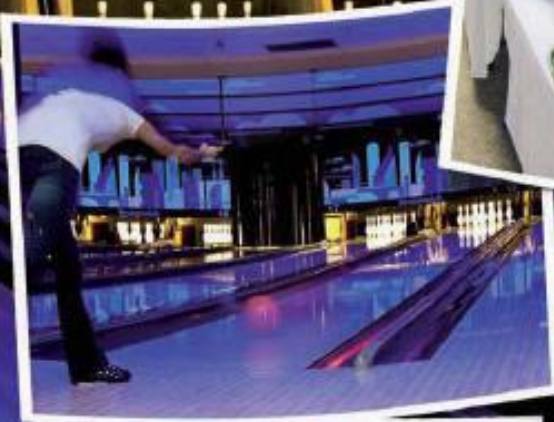

All **Bowlerama** centres are licensed by the Alcohol & Gaming Commission of Ontario. We are committed to the responsible serving of alcohol. Beer, wine and spirits are available from our bar or snack bars and are available for corporate functions as well as to the general public. Most of our staff are now Smart Serve trained.
